Livestock Weighted Average Report for 5/13/2022 - Final

AUCTION

	This Week	Last Reported 4/29/2022	Last Year
Total Receipts:	5,826	891	5,549
Feeder Cattle:	5,826(100.0%)	891(100.0%)	5,549(100.0%)

Sale not reported last week due to light receipts and too few feeder cattle two weeks ago to compare to this week's large offering and develop an accurate price trend. A large offering for today's annual Birthday Sale featuring many strings, loads, and packages of both homeraised and backgrounded cattle and a few consignments of fall calves. Moderate to good demand for finishing type cattle depending on flesh and quality, very good demand for cattle which can go to grass. Flesh varied quite a bit today, from light to heavy. Some tag on the cattle as yard conditions are very muddy right now, rain has been coming every few days and in large amounts. Some cancellations due to the muddy roads and lots. On the bright side of all the precipitation, grass conditions look excellent. An active market with many buyers and farmer feeders attending the sale today. Very little field work has been done as fields have been too wet. Next feeder cattle sale is Friday, May 20. Supply included: 100% Feeder Cattle (65% Steers, 35% Heifers). Feeder cattle supply over 600 lbs was 90%.
